BAR MENU

Our cocktail menu celebrates the harmony between nature and creativity, taking inspiration from the remarkable animals native to Asia. Each drink captures the essence of its namesake, transforming distinctive traits into flavours, aromas, and textures that awaken the senses. From the calm strength of the Panda to the bold power of the Tiger and the graceful serenity of the Sika Deer, every cocktail tells a story of character and spirit.

Discover which creature mirrors your own nature - whether tranquil, fierce, or free.
